

SHIP aims to:

- provide you with the help and support you need
- make sure everyone is using the same approaches and strategies:
 - in school
 - at home
 - in other settings
- work with you to improve confidence in managing your child's behaviour
- enable your child to make progress
- help your child to access social and leisure facilities
- empower families.

SHIP is a programme funded by Hampshire County Council on an annual basis.

Confidentiality agreement

Anything that I talk about with my Home School Worker will not be shared with anyone else without my consent. I will be asked to tell the Home School Worker if there is specific information that I do not want shared. I understand that information would have to be shared if my child's safety is thought to be at risk.

Home
School
Support**

School Home Integrated Partnerships

This programme supports:

- Parents/carers and families of youngsters who have learning difficulties, and also have difficult and challenging behaviours.
- It aims to involve everyone who works with the young person, wherever they may be: at home, in school or in any other setting.

**Children's Services:
Education/Social care ⇄ Health
WORKING TOGETHER**

What parents have said about SHIP

The benefits of all the agencies working together has achieved common goals

This has had a very positive effect on our family life

Areas of difficulty at home have been resolved

There has been an improvement in behaviour, progress in skills and reinforcement of learning

I can't speak highly enough of this project, it is a positive addition to my child's life and therefore to our home life

What will the school do?

We will:

- give you a Home School worker
- listen to you and your child to find out more about your needs
- talk to other agencies, where they are involved
- learn more about your child by working with them at school and home
- suggest strategies and ways of coping

We may

- create and provide materials and show you how to use them.

What will parents/carers need to do?

You should be prepared to:

- talk about the problems you are having
- set aside some time for:
 - attending meetings
 - Home School worker visits
- try new things, new ways of working with your child at home.

How long will the support last?

- we will give you help and work with you until progress is made

I agree that I would like to have Home School support

I will
