WEEKLY CLASS FOCUS

This term, Trumpet Class has been making the most of the sunshine and taking their learning outdoors! The children have enjoyed exploring nature, searching for minibeasts, and discovering more about their habitats. They have also had a wonderful time planting sunflower seeds and marigolds as part of celebrating the Holi Festival and are looking forward to watching them grow over the coming weeks. It has been a fantastic opportunity for hands-on learning and encouraging curiosity for nature.

The class also had a fantastic time celebrating World Book Day! Their chosen story was Paddington Bear with lots of fun activities. The students enjoyed listening to the story, making their own marmalade sandwiches—just like Paddington—and tasting delicious scones with butter and jam. It was a great way to bring literature to life and share a love of reading together.

Another highlight of the term was a special visit from the Fire Service. The children learned about fire safety, the important role firefighters play in our community, and how they help keep people safe. They were especially excited to get a close-up look at some of the firefighting equipment and learn about the different tools used in emergencies.

In cooking sessions, the students have been developing their food preparation skills, peeling and cutting skills and trying out new recipes. This term, they made a delicious Caesar salad and a refreshing fruit and jelly dessert. The children enjoyed working together to prepare the ingredients and tasting their finished creations!

COMIC RELIEF AND WORLD DOWN SYNDROME DAY FUNDRAISINGTHE RESULTS

Thank you to everyone who contributed to the fundraising for the above charities. As you know, because these events fell on the same day, we decided to split the total of money raised between the two. We are very pleased to announce that a total of £158.30 was raised, so each charity will receive £79.15.

GARDENING WEEK AT THE FE CENTRE

The FE Centre students will be holding their annual gardening week commencing 6th May this year.

They will be making a new path, planting some berry bushes, creating a herbaceous walkway and adding some colour to the garden with lots of potted plants.

They are hoping that they may be able to get some help with items that may be spare in people's garden sheds. These are:

- Weed membrane
- Bedding Plants
- Woodchip (for a pathway)
- Edging for pathway/flowerbeds
- Hanging baskets and brackets
- Trellis
- Herb plants

If you are able to donate any of these items, please get in touch and we will let the FE staff know to either arrange collection or expect a delivery. Thank you.

WORLD AUTISM DAY—

Wednesday, 2nd April

Next Wednesday all students are welcome to dress down to celebrate the World Autism Day.

All we ask is for a £1 donation. If your child would prefer to wear school uniform or attends the FE Centre, that is no problem! You can still donate—we won't stop you.
