CHILDREN IN NEED

Thank you to everyone who contributed to Children in Need today. We will be able to let you know the full amount of donations made next week. In the meantime we hope you enjoy looking at the photos taken around the school today, especially at the teachers in their office rocking their Pudsey ears while hard at work...

CLASS FOCUS

Triangle class have had a wonderful start to the half term, and their learning is well under way! Their topic for this half term is 'The Circus', and the students are immersing ourselves in lots of circus-themed learning.

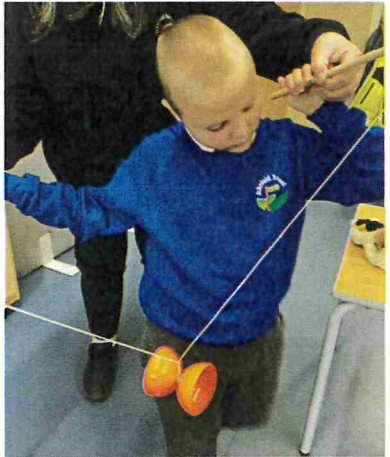

The story in Literacy this half term is Molly's Circus, and the children are learning about the different characters they might meet at the circus. They have had fun matching characters from the class story, exploring an array of different circus characters, and choosing describing words to describe what the different circus characters and food at the circus is like.

In Our World learning, the children have been exploring pushes and pulls in the environment around them, exploring pushing and pulling objects and materials, and pushes and pulls with their bodies through circus skills movements. They have loved juggling and pretending to tightrope walk...

Art work this half term is exploring textiles. The class will be weaving colourful aerial circus hoops using recycled bicycle wheels, fabrics and yarn, working alongside their friends in small groups.

In cooking last week, they had great fun making rainbow toast. It was very tasty, and everyone enjoyed it.

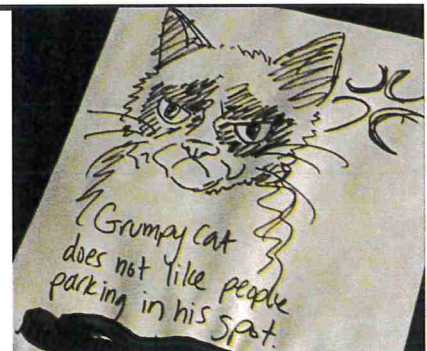

LOCAL PARKING

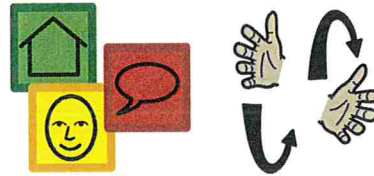

Please may we remind you to consider where you park when dropping off and picking up your children. The parking bays in Spey Court are not allocated for residents, but we do try to avoid parking there where possible to avoid inconvenience to our neighbours.

There are plenty of spaces in The Swallow pub car park, and the landlord there is very happy for us to use these at the beginning and end of the day.

If you do ever experience any form of unwelcome altercation from a member of the public regarding parking on the public highway, then our recommendation is to report any such incidents to the police, either online or by phoning 101.

SUPERSTAR OF THE WEEK

The following students have been awarded the Class Star of the Week Award:

- Chimes - Abel
- Drum - Zack
- Maracas - nil
- Tambourine - Noah
- Triangle - Neil
- Trumpet - Terrence
- Oboe - Shristi
- Banjo - Jack B
- Cello - Jaycob

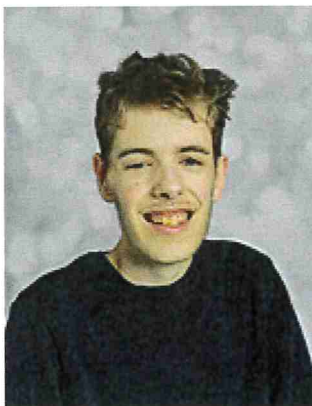

The School Superstar of the Week is ...!!

Jaycob is a kind, considerate and caring young man with a great sense of humour. He is a responsible member of Cello class. He has a 'can do' attitude and works hard to achieve everything he is given to do, whether it be outside his comfort zone or not. He is polite, with excellent manners and knows how to share and take turns. He loves playing UNO with his friends at choosing time and really enjoys playing party games and dodgeball in the morning Movement session.
