WEEKLY CLASS FOCUS

Tambourine class have had an excellent start to the year. They have accepted their new peers quickly and have been playing alongside each other while discovering which toys Tambourine class has.

Our topic this half term is Mighty Metals. In Literacy the children have been exploring the sounds that metal makes by making lots of noise with pots and pans! The adults have been modelling the different noise words such as bang, clang and crash. By the end of the half term we will make a noise poem about metal.

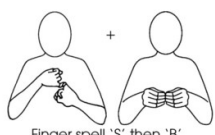

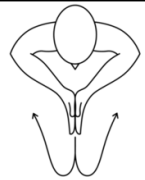

In Art this half term we will be looking at 3D sculpture. The children will explore different shapes and sizes of objects and make their own models using playdough.

Each morning we have physical sessions and this week the ball skills lesson with brightly coloured scented balls was a huge success. The children enjoyed moving the balls in different ways. Lots of children enjoyed collecting as many balls as they could carry and throwing them into the air! Lots of fun was had by all.

The School Superstar of the Week is ZACK!!

Zack is a cheeky boy with an infectious smile. He is full of high energy and can always be seen on the go waggling a sock! Zack loves the sensory room, in particular the bubble tube. He is also great at interacting with adults, enjoying “Round and Round the Garden” and tickles. Zack is a professional at using PECS and can independently find the folder to ask for anything we wants. He also loves music—everything stops when the music comes on!

TWO LITTLE PIGGIES...

During the summer holidays, these two little pigs were found in the office. They belong to a toy farm which was sold at our Summer Fete. If you were the buyer or know who bought the farm, please could you contact the school so that they we can arrange for them to be reunited with the rest of their family. Thank you.
